Submits for sanction of Govt. proposals allocating the Mechanical staff of the Dept. in the re-organised grades, the extra additional cost of Rs. 17857 being met by an additional grant, and recommends that the relative rank of Mr. H. N. Chandrasekharan and Mr. V. T. Raghavachar be determined now finally.

and the 4 Senior Mechanics who have been drawing the maximum of Rs. 100/- in the old grades for over 5 years have been ordered to be started on Rs. 110/-.

This official has been drawing Rs 60/- from 1.1.1923 and he has now proposed Rs 50+10 does not seem to be justifiable. He is not even the vacancy in which he is proposed to be confirmed from 1918. OFFICE OF THE DIRECTOR,

GEN. SECTION 4664
DEVELOPMENT BRANCH

FROM

C. RANGANATHA RAO SAHIB, ESQ., B.A., B.L.,
Director of Industries and Commerce in Mysore,
Bangalore (India.)

To

N. Rama Rao Esq., B.A., B.L., Dc 225-28-1
Secretary to Government - Development Departments,
Bangalore.

SIR,

Subject:- Mechanical Staff - Revision - Allocation.

With reference to Government Order No.92-101/I&C. 419-27-2 dated Camp Mysore the 27th October 1928 sanctioning the re-organisation of the Mechanical staff of the Department, I have the honour to submit herewith a statement showing the allocation of the present staff against the revised scale sanctioned by Government and specifying their relative rank in the Department. Government have directed that the scale of pay of four Mechanics who have been drawing Rs.100/- for five years and more may, in recognition of their good work, be revised to Rs.100-5-125 and all of them be started on Rs.110/-/- in that grade. These mechanics are:-

1. Mr. H. R. Chandrasekharayya,
2. Mr. V. T. Raghavachar,
3. Mr. P. S. R. Chari and
4. Mr. T. M. Ghouse.

These officers will be started on Rs.110/- from the 27th October 1928 the date of the Government Order sanctioning the re-organisation.

Please see Dc 230-28 below.

The relative rank of Messrs. Chandrasekharayya and V. T. Raghavachar has been a matter of some doubt for the past two years and it is desirable that this matter should be definitely settled now in fixing their respective positions in the allocation statement. The matter is relatively simple and it would not be fair to the Officers to leave it unsettled any longer. Both these officers were confirmed

confirmed in the grade of 50-5-100 on the same date viz-21st Decr.'17 and both of them reached the maximum of that grade also on the date i.e. 21st December 1920. It seems therefore irrelevant to consider what was the pay at which either officer started and what the length of service he had previously put in before he was confirmed in the grade of 50-5-100. In view of the fact that both these officers -- reached the maximum of the same grade on the same date, the only -- point for consideration to fix their relative seniority is how they were treated in respect of their relative position in the Department itself and what their qualifications are. In regard to their qualifications, a statement which I enclose in this letter, it is obvious that Mr. Chandrasekharayya has higher qualifications than -- his colleague. As regards how they were regarded in the Department itself, it is evident from the records in the office and annual schedule of Establishment Lists, that, until my predecessor, the late Mr. Mecci raised the issue and decided it in favour of Mr. V.T.Raghavachar, Mr. Chandrasekharayya was considered as senior. Mr. Chandrasekharayya was invariably placed in independent charge and appointed to act for the post of Superintendent when that post fell vacant, When any Superintendent of Industries took leave, and in one instance i.e. in February 1925, Mr. Chandrasekharayya was selected for the post in preference to Mr. V. T. Raghavachar, although the latter was working in the District and was available on the spot.(This office O.M. No.190 dated 6th February 1925). In this instance Mr. V.T. Raghavachar was actually working under Mr. H.R. Chandrasekharayya. All these instances are noted clearly at foot:-

Date	Name of Officer taking leave or other duty	Name of Officer who acted	Reference and remarks.
16-2-25 to 15-3-25.	Mr.C.R.Rama Rao, Supdt. of Industries, Shimoga.	Mr.H.R.Chandrasekharayya In charge Superintendent	O.M.No.190 dated 6/7-2-1925.
25-10-26 to 9-12-26	Mr.K.T.Kadaba, Supdt. of Ind. Mysore, O.O.D. as Supdt. C.T.Institute.	Mr.H.R.Chandrasekharayya Ag. Supdt. 200-20-400.	(D.7896-7/I&C. (56-26-17 d-19-3-27
4-7-27	Mr. G.S. Gurunaja Rao	Mr. V. T. Raghavachar 150-15-300. *	(G.O.No.D.3995-96/ (I&C.56-26-19 d/- (22-10-1927.
23-11-27 to 23-1-28	Mr.K.T.Kadaba, Supdt. of Industries, Mysore	Mr.V.T.Raghavachar	G.O.ending with No.D.3172-73/I&C.75-28-2 d-13-9-28.

* D 76/Ic 22-26-27 & 5 July 1927

Copies of the Departmental Schedules are also enclosed. Mr. Mecci however considered that Mr. V. T. Raghavachar was senior in a letter that he addressed Government. A copy of that letter No.G.218/C dated the 6th September 1926 is enclosed. I have carefully read through the letter but cannot bring myself to think that the arguments adduced support the conclusion arrived at.

It is true that since two years Mr. V. T. Raghavachar has been posted to act for Superintendents of Industries when these officers took leave and any decision now in favour of Mr. Chandrasekharayya is naturally bound to affect him. All I can say on this aspect of the question is that Mr. V. T. Raghavachar's temporary promotions were not the result of any definite decision in his favour and the issue of seniority was deliberately left undecided. Mr. Chandrasekharayya has made representations on the subject and a copy of his representation is enclosed. I beg to recommend that this officer should be definitely held to be senior to Mr. V. T. Raghavachar.

The number of Mechanics existing at present is six and two more have been sanctioned in the Government Order dated 27th Oct.1928 making in all eight mechanics. The four senior mechanics will be absorbed in the revised grade of 100-5-125 and the other two mechanics Messrs. Manickam and Mir. Sab will be given the first two places in the grade of 50-5-100. They are both drawing Rs.100. at present. I shall approach Government for increasing the number in the higher grade to six so as to be able to give these officers also a small promotion in due course. For the next two places in the grade of mechanics, I propose to promote the two Senior Asst. Mechanics Messrs. K. V. Govinda Rao and B.K. Subba Rao. They are drawing Rs.50 plus 17 for over five years and may be started on Rs.75. This will absorb the personal allowance now drawn by them and give them a small increase in the emoluments they have been getting for over five years.

The Government Order revising the staff of the Mechanical Section provides for eight Asst. Mechanics as against four at present. Two of the Asst. Mechanics have been recommended for promotion and

and there is only one left i.e. Mr. M. K. Srinivasa Iyengar as the other A. K. Venkataranga Setty died recently. Mr. M.K. Srinivasa - Iyengar will be given the first place among Asst. Mechanics and will draw Rs.50. plus 12, his present pay, as already ordered in para 5 of the Government Order.

For the second place among AssT. Mechanics, I beg to recommend that Mr. K. Vedantha Iyengar may be appointed. Government have in their Order No. D.31-32/I&C.362-27-4 dated 31-5-1928 directed that Mr. K. Vedantha Iyengar be treated as Supernumerary Mechanic in the Department and absorbed in a vacancy in the Mechanical Section. I now propose to absorb him as Asst. Mechanic against the second vacancy. He has been drawing Rs.60. in the Department from 1-1-1923. I therefore propose that he may be appointed as Asst. Mechanic on Rs.50. with a personal allowance of Rs.10. This mechanic was a permanent fitter on Rs.50. from 17-4-1919 and Asst. Mechanic on Rs.50. from 11-3-1921 on the permanent establishment, Mechanical staff, and was thrown out in the retrenchment ordered in 1922. He has been continuously acting in long vacancies since that date. He may be confirmed with effect from 25-4-1918, the date of his appointment in the Department, and he may be admitted to the benefits of Provident Fund also from that date.

There will be then six vacancies of Assistant Mechanics to be filled up. Government have in their Orders noted in the margin

1. G.O.No.5179-81/I&C.269-24-2 dated 30-1-1925
2. G.O.No.D.106262-64/I&C.384-26-2 dated 31-5-1927

directed that certain Asst. Mechanics -- thrown out of employments due to the -- measure of retrenchment should be absorbed in vacancies in preferance to new recruits. I propose, however, to notify all the six vacancies in Assistant Mechanics with a view to recruit young, energetic and duly qualified Mechanical Engineers. If any among the thrown out candidates are found efficient, their cases will naturally be preferred

Copy of letter No.G.218/C dated the 6th September1928 from Md. Zahiruddin Mecci Esq., B.A., Offg. Director of Industries and Commerce in Mysore, Bangalore, to the Chief Secretary to Government, Bangalore.

In continuation of correspondence ending with my D.O. No.Camp.C. dated 30th August 1926 promising to report, on return to Headquarters, as to whether Mr. H. R. Chandrasekharayya or Mr. V.T. Raghavachar is senior to be posted to act as Superintendent of Industries vice Mr. Kadaba proposed for the Chamarajendra Technical Institute during the absence of Mr. H. G. Alderton, I have the honour to state that I have gone thoroughly into the question and I am satisfied that Mr. V. T. Raghavachar is senior to Mr. H.R. Chandrasekharayya for the following reasons:-

Mr. V.T. Raghavachar's service in the Department of Industries dates from 16th February 1914 while that of Mr. H. R. Chandrasekharayya from the 7th May 1915 though the latter had put in some temporary service from 9-2-1914 to 6-5-1915 as Chief Foreman in the Cauvery Reservoir Works.

Both were put in the same grade of 50-5-100 and got Rs.85/- on the same date in the reorganisation of 1917 and both reached the maximum of Rs.100/- on the same date. I am of opinion that the previous temporary service which carried a higher pay does not give Mr. Chandrasekharayya any superior claim to that of Mr. V.T. Raghavachar. This view is further supported by the fact that at the time of Re-organisation though there were two Asst. Superintendents appointed on Rs.100/- each yet one of them was given to Mr. C.R. Rama Rao who was then getting only Rs.75/- while Mr. Chandrasekharayya was acting on Rs.80/- per mensem in the temporary vacancy. It is but right that as he (Mr. V.T.Raghavachar) is quite competent to discharge his duties as Superintendent of Industries and has done some very good work recently in a number of instances he is appointed to act for Mr. Kadaba.
